Hi Chris, Rick, Bruce and Mike – Region 8 has drafted some responses to the Ute Tribe's principals regarding our draft proposed U&O FIP that they noted during the calls with OMB and with OAR/OITA this week. We also added a couple of other topics we will want to cover when we meet with the Tribe. As of late yesterday, Callie had not heard back from Jeremy Patterson about a date to meet with him and the Business Committee/tribal reps. She asked that I call Jeremy today and inquire about a date. I left him a message, but have not heard back yet.

Not sure who all is in next week. I'm only in Monday and Carl is out all week. Can you all provide review/input/other topics by COB, Wednesday, November 23rd? We may have the week of November 28th to work on this, but we won't know until we hear from Jeremy.

Have a great weekend.
